The image displays a comparison between a desktop website and a mobile application for 'Doce Aroma'.  
**Desktop Website:** The main page features a large image of a latte with a heart-shaped foam design. A callout box in the center says 'O melhor Café da região'. Below it, a section titled 'Doce Aroma' contains text about the quality of coffee beans and a welcome message. A 'Nossos Destaques' section shows four coffee drink options with their names and prices: Espresso Clássico (R\$ 15,00), Latte Cremoso (R\$ 18,00), Cappuccino Artesanal (R\$ 15,00), and Café Gelado (R\$ 20,00).  
**Mobile Application:** The app's home screen shows a similar coffee image and a welcome message. It includes a 'Nossos Destaques' section with the same four coffee options and their details. A 'Login' screen is also shown at the bottom, featuring fields for email and password, and 'Login' and 'Cancelar' buttons.
